“Cultivating healthy communities by connecting people to the arts, education, the environment and each other.”

~ **Welcome to The Willowell Foundation Land & The Gordon Sculpture Park** ~

Land Address: Stoney Meadow Lane Monkton, Vermont 05443

1) Map:

You will be best served if you use the pdf map of the Willowell Foundation land - Gordon Sculpture Park to navigate and orient. The sculpture park continues to evolve. Rely on the map to navigate the land while poised for new sculptures to emerge from the land as you explore.

2) Getting here:

You will park in our parking area at Stoney Meadow Lane and hike down the edible garden pathway (left of the gravel road), **stay left at the fork on the trail at the bottom of the hill**, continue on to our outdoor education campuses to be greeted by the first of many original art works. When you come to the fire pit at the mouth of the meadow you will see the Artist Cabin which is linked to grass paths and sculptures throughout the landscape.

3) Your preparations:

Bring what you need with you including sturdy walking shoes, drinking water, and weather appropriate clothing with your sense of curiosity to explore. For your enjoyment, there are shaded and sunny areas for picnics throughout the park.

4) We encourage Leave No Trace practices on the land:

Plan Ahead & Prepare, Travel & Camp on Durable Surfaces,
Dispose of Waste Properly/Pack In-Pack Out, Leave What You Find,
Minimize Campfire Impacts, Respect Wildlife, Be Considerate of Other Visitors

5) Land Use & Park Hours:

The Gordon Sculpture Park is a curated venue open to the public year round during the daylight hours outside of The Willowell Foundation's operating program hours 8am-3pm, Monday-Friday. Access may be limited during selected weekend programming, as well. The Willowell Foundation offers diverse programming including schools and camps who share the land. These experiences are enriched by the community garden and sculpture park which use a variety of buildings including yurts, cabins and amphitheater. Access to all buildings is prohibited unless engaged in a guided tour or event.

At the fork in the road at the bottom of the wild edible path and gravel road, we have a path to the Tree of Life Farm and homesteaders with whom we share the land - we ask all visitors to respect their privacy.

We hope this tour is helpful to you. To learn more about the Gordon Sculpture Park and associated programming, reach out to info@Willowell.org.

Wishing you an inspiring and rejuvenating walk ~
